

COMMUNITY INVOLVEMENT PROJECTS

The community involvement projects that may be undertaken by the Scouts are as many and as varied as the needs that can be found in the neighborhood and in the community. It ranges from the simple to the complex....from what can be undertaken in a day to what can take days or weeks or even months to accomplish, from the inexpensive to the expensive....from simple good turns to the more challenging ones. Whichever and whatever it be, the educational value which community involvement will give to the Scouts will be unquantifiable. So, too, will the amount of Public Relations and Acceptance the BSP will earn. Some community involvement projects are as follows:

- Drug Abuse Prevention
